ALL I HAVE

INTRO: Bmaj⁷, Cmaj⁷, Bmaj⁷, Cmaj⁷

Bmaj⁷   **Cmaj⁷**
  I have to maintain the woeful illusion
Bmaj⁷   **Cmaj⁷**
of my hollow world
        Bmaj⁷   Cmaj⁷
  where I think I
        Bmaj⁷   Cmaj⁷
  am king.
Csus⁷   **D**
   I know you offer me rest
Csus⁷   **D**   **Csus⁷**
  but how can you give me all I provide?
                        D
  Got to juggle all I have hands for.
Csus⁷   **D/F#**
  There'll be time to rest when I die.

  G   **D/F#**
  Just a little more,
                        Em
get through this moment.
                C
Clear one more hurdle,
                        G
my control will return
                        D/F#
Ignore what you offer,
                        Em
a burden that's light.
                  C
How could I ever
                G
give up this fight?
   D/F#   **Em   C**
It's all   I have.

Bmaj⁷   **Cmaj⁷**   **Bmaj⁷**
  I spend so much time coloring in the spaces
                        Cmaj⁷
  of my little world
        Bmaj⁷   Cmaj⁷
  where I think I
        Bmaj⁷   Cmaj⁷
  am king.
Csus⁷   **D**
  I want so much to let go.
Csus⁷   **D**
  I know I need to release.
Csus⁷   **D**
  I know it's all in my head—I know
Csus⁷   **D/F#**
  that none of its real.

G   **D/F#**
  Just a little more,
                        Em
Get through this moment.
                        C
Clear one more hurdle,
                        G
my control will return.
                        D/F#
Ignore what you offer,
                        Em
a burden that's light.
                  C
How could I ever
                G
give up this fight?
   D/F#   **Em   C**
It's all   I have.

C   **D/F#**
  Any control I thought I had
C   **D/F#**
  was just an idea I sold myself.
C   **D/F#**
  It's all in my mind.
C   **D/F#**
  It's all in my mind.

G   **D/F#**
  Just a little more,
                        Em
get through this moment.
                        C
Clear one more hurdle,
                        G
my control will return
                        D/F#
Ignore what you offer,
                        Em
a burden that's light.
                  C
How could I ever
                G
give up this fight?
   D/F#   **Em   C**
It's all   I have.
   G D/F#   **Em   C   Bmaj⁷   Cmaj⁷   Bmaj⁷   Cmaj⁷   Bmaj⁷**
It's all   I have.
